

THE HAPPY PRINCE KS1 & KS2

Introductory Price £19.95 includes: photocopiable script, songsheets, CD with vocals & backing tracks, basic sheet music, performance licence.

A lovely musical presentation based on Oscar Wilde's classic story. 45-55 mins. Abridged and written in simple modern English. Suitable for a class of primary school children aged 7-11 and/or pupils with special needs or EAL. The script is compelling but easy to stage. Spoken parts are short and easy to learn. The performance relies on narration, music and movement. The script comes with a 22-track CD containing 6 attractive modern easy songs and musical pieces for dance/movement sequences. Songs are provided with and without lyrics. No musical ability is needed- just play the backing tracks on the CD and sing along.
